

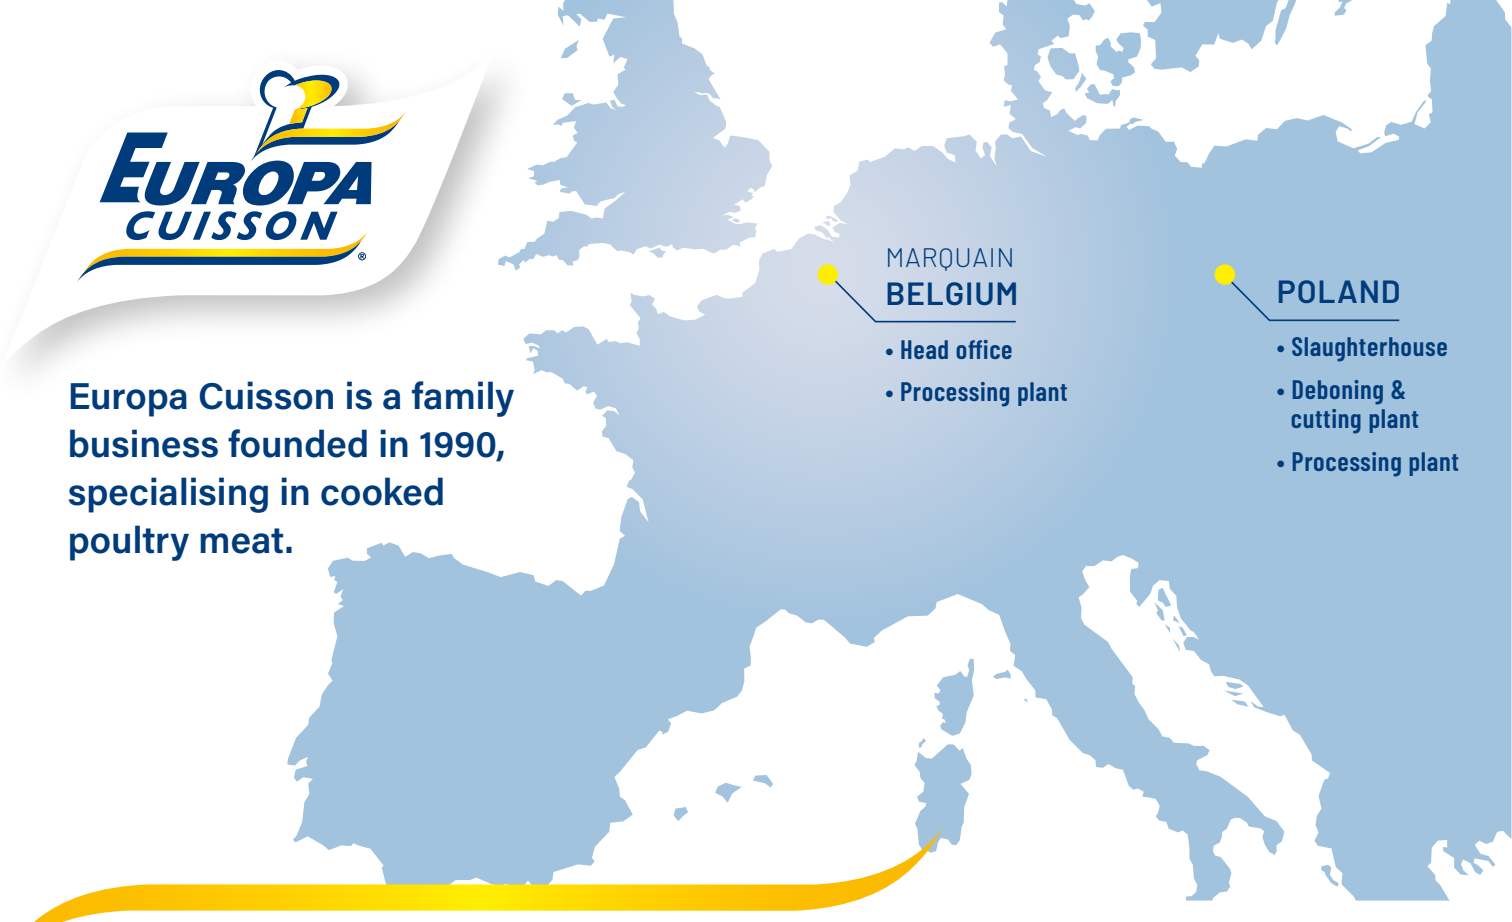
EUROPA CUISSON®

Cooked & ready !

COOKED POULTRY MEAT

EUROPA CUISSON

Europa Cuisson is a family business founded in 1990, specialising in cooked poultry meat.



OUR HISTORY

1990 — Creation of the company

1995 — Move to a new factory in **Wauthier-Braine** (2.000 m²)

2000 — Acquisition of a new production facility in **Temse** (4.000m²)

2004 — Extension of the production facility area in **Wauthier-Braine** (3.500 m²)

2009 — Acquisition of the company **Hendrickx** in **Maasmechelen** (4.000 m²)

2012 — Acquisition and extension of the production facility in **Marquain** (land of 7 hectares)

2013

Centralisation of **all production facilities** and **relocation of the head office** of the company in **Marquain**

2014

Internalisation of our own **logistics storage platform** (capacity 8.000 pallets)

2015

Extension of the **production facility** in **Marquain** (2.000 m²)

2017

- Construction of a **cold store** in **Marquain** (capacity 8000 pallets)
- **Acquisition of a slaughterhouse and a deboning & cutting plant in Poland**

2018

- **Acquisition of a processing plant in Poland**
- **Installation of +4000 solar panels in Marquain**

2019

Installation of a 3rd cooking line

ABOUT US

MISSION

To satisfy customer requirements by meeting their expectations with quality products.

VISION

To nurture customer loyalty, boost our presence in Europe and expand our sales on new markets.

VALUES

QUALITY

Compliance with international quality and hygiene regulations and standards.

INNOVATION

Constant research & development of new products and improvement of technical processes.

SERVICE

Fast processing of customer requests by a team of dynamic professionals.

WATER TREATMENT

Wastewater treatment via on-site treatment plant.

< GREEN INITIATIVES >

GREEN ENERGY

- Installation of solar panels in 2017.
- Construction of a wind turbine.

EUROPA CUISSON

RESEARCH & DEVELOPMENT

OUR R&D TEAM IS AT YOUR DISPOSAL TO DEVELOP CUSTOM PRODUCTS ACCORDING TO YOUR SPECIFICATIONS

TRENDS WE FOLLOW:

LOCAL

We offer a wide choice of raw material origins from inside and outside Europe.

ALLERGENS & ADDITIVES

We have reduced our allergens from 7 to 4 and are adapting our recipes to reduce the presence of additives.

ANIMAL WELFARE

We have our own sourcing and we maintain close relationships with our suppliers in order to meet specific requirements in terms of breeding and animal welfare.

QUALITY CONTROL

RIGOROUS QUALITY CONTROL PROCEDURES ARE APPLIED AT EVERY STAGE OF THE PRODUCTION PROCESS

from the supply of raw materials to the finished product to ensure the best quality of our products.

CERTIFICATIONS

All our products are tested and analysed by an external laboratory accredited according to ISO standards.

Our facilities are BRC, HACCP and Halal certified.
